Brander F/RED

A phenomenal value, this juicy blend of Cabernet Sauvignon and Syrah is approachable and rewarding. The dark ruby robe, segues into a nose of warm berries. Fine-grained tannins dovetail with piquant acidity in creating a structure which allows this wine to go swimmingly with a wide range of pleasures: think of pairing this with homemade ravioli stuffed with Gorgonzola and fresh sage in a sauce of roasted heirloom tomatoes and garlic, Chicken Marsala, or simply watching a sunset with your loved ones.
