Brander 2016 Los Olivos District Sauvignon Blanc

[illegible]

e hope you enjoy the fruits of our labor as much as we do. Thank for your ongoing support!

Technical Information:

Cases Produced: 11,000

Vineyard Sources: Brander Estate, Braven Maiden, Mesa Verde, Tierra Alta, Buttonwood, Coquelicot, La Presa, Roblar and Giff's

Harvest Dates: August 18th -September [illegible] rd, 201[illegible]

Chemistry: Average Brix: 23.6 degrees; Average pH: 3.29

Winemaking: The grapes were harvested by hand just as each individual vineyard achieved its perfect balance of flavor, ripeness, and acidity. Every lot of grapes was 100% destemmed, then gently pressed into stainless steel tanks, and inoculated with yeast. A small portion of this wine- five percent of the total blend- was transferred to neutral French oak barrels for additional richness and complexity.

Bottling Date: [illegible]2016

Optimal Drinking Window: 2016-2018
