

THE BRANDER VINEYARD

2024 KICK-ON VINEYARD RIESLING

SANTA BARBARA COUNTY

Kick On Vineyard has earned a reputation for producing expressive Riesling in Santa Barbara County. The 2024 vintage opens with floral aromas and green apple, followed by tangerine, apricot and a precise mineral character. Bright acidity carries the wine through a clean, persistent finish, while five months in stainless steel preserves freshness and varietal purity.

Chemistry at harvest: 22.6 Brix | pH 3.14

TASTING PROFILE

Floral aromas, green apple, tangerine and apricot lead into a focused palate with bright acidity, clean minerality and a long, refreshing finish.

WINEMAKING

All grapes were hand harvested. Fruit was destemmed and crushed and allowed approximately 0.5-1.0 hour of skin contact before pressing. Only free-run juice was used for this single-vineyard designate. The wine was fermented and aged in stainless steel for approximately five months. Malolactic fermentation was prevented.
